EMPLOYMENT OPPORTUNITIES:

1. YOUNG LADY: A pastor in Oregon is looking for a secretary. She must be able to do the church bookkeeping, handle the phone, make personal appointments, operate the machines, take dictation and fulfill general office procedure.
2. YOUNG MAN OR YOUNG LADY: The University of Washington hospital is looking for young people who are interested in training for electroencephalography technologist (how is that for a word?) They are looking for young people who are not planning on pursuing further their college education but will be interested in this type of work. It is required that the student be in the upper third of his high school graduating class and have one or two years of college work with at least a C average. A student must be in good physical health with no disability which would impede visual or motor skills. He must be a citizen of the United States or have a permanent visa. He has to accept the code of ethics of the American board of EEG Technology and he must be willing to refrain from taking other courses offered in the colleges or universities. This would, I assume, include a correspondence work.

If you are interested in either of these please see Dean Pecota right away.

ATTENTION LADIES: Don't run out on a runner who is the world record holder. Hear: DORIS BROWN (ranked no. 1 in the world as a track star) give her testimony Wednesday (tomorrow) at 8:30 p.m. in Perk's Lounge.

Note that the time is NOT 9:30 p.m.

Also: A.W.S. PRESIDENTIAL ELECTION.

ATTENTION MEN OF C.C. BEATTY RESIDENCE: This Wednesday will be our election for next year's Dorm Council President. Please everybody attend--we need your vote.

GRADUATES PLEASE NOTE: Extra announcements have been ordered and are at the Administration Office for those who did not order any, or those who want to buy a few more. They are available at a cost of 16¢ each.

NO SECOND CHANCE: Your only opportunity to hear several young "concert artists" presented in recital by the Music Department of the College is THIS WEEK, Thursday, May 25<sup>th</sup>, at 7:45 p.m. in the College Chapel. REFRESHMENTS!

RIDE: Anyone interested in getting a ride to Alaska? Each passenger will contribute to the gas evenly. Must pay your own meals and motel. Please contact Miss Julia Ford, 506 Snow, Richland, Washington. She plans to leave on June 11<sup>th</sup>, but the date can be altered if you write soon.
