ATTENTION LADIES: Next Wednesday, May 31st, is the annual A.W.S. Appreciation Night. This year's theme is "A Note of Praise". All women are invited to attend, especially those young women who are graduating and those who are engaged.

HEBREW CLASS: For purposes of planning the schedule for next year we would like to know how many students would take Elementary Hebrew (three three hour courses) if it were offered. If you are definitely interested would you please sign the paper provided at the college reception desk in the Administration Building.

FROM THE BUSINESS OFFICE: The account of all students having discounts of any kind must be paid by the last day of finals, otherwise your discount will be added back on to your account.

ATTENTION: Remember the Awards Day Assembly which will be held during the chapel time on Thursday, June 1st. All students are especially encouraged to be there on that day, even those who have been excused because of some work obligation. Who knows, you may be the one to receive an award.
