

STUDENT BULLETIN

Thursday, June 1, 1967

KNCC: Attention all students who are married or are getting married this summer and who are returning to Northwest next year. You will be eligible to hold an executive position on KNCC next year. Please contact Doug Garman this week in person or by sending your name and phone no. to him at KNCC as soon as possible.

Contrary to all rumors--those who are not married and do not plan to get married this summer are also eligible for executive positions. The only requirements being that you plan to be back next year and that you are willing to work!

Executives must be selected by June 15th for publication in "College Radio's" write-up for our station in the "College Radio Annual." Programs for next year are being planned.

If you want a slot, you should sign up now. However, programming positions will be open next fall.

LIBRARY: All library books are due this Friday, June 2, after which they may be renewed on a daily basis until the end of finals. Books renewed this Friday will be due Monday instead of Saturday, however.

Graduates: all your library books must be turned in and all fines paid before graduation.

DORM CHECK-OUT: It is important to complete the dorm-check-out form before leaving for the summer. The Supervisors have suggested you arrange with them a specific time when you wish to be checked-out from your room. (For this purpose a sheet will be posted on the Supervisor's door for you to sign a time.)

RESERVATION FOR NEXT YEAR: Reservation forms for reserving a dorm room are being placed in your room. It will be important to return your reservation to your DORM SUPERVISOR on or before 10 p.m. Thursday, June 8th.

If you are returning and making a reservation you may not withdraw your dorm deposit.

CAFETERIA CLOSING: The last food service this year will be Saturday NOON June 10.

VACATING ROOMS: Dorm students must vacate rooms on or by Monday, June 12th at Noon.
