

STUDENT BULLETIN
Tuesday, October 3, 1967

"If I wonder why something trying is allowed, and press for prayer that it may be removed; if I cannot be trusted with any disappointment, and cannot go on in peace under any mystery, then I know nothing of Calvary love."

If there are students who needed typewriting or shorthand and were unable to get in the classes because of closure, please see Dean Rice.

There is still room for more in German class. (It is the only language which is taught here this year which will satisfy requirements for many university programs.

With a record enrollment (520 at the last count) movement in and out of the Chapel is a bit of a problem. To alleviate this, we encourage those seated on the south side of the building to exit by the door on that side. Also, it will help if all move out smoothly rather than stopping to talk in the aisles and foyer. Thanks for helping.
