IT'S FUNNY, ISN'T IT?

Some men don't have hair and want it. Others who have it get it cut off. Then there are those who have it and keep it as though it were an eternal blessing. Now in case you are wondering--Northwest College does not condone the beatnik or hippie look. Hair that curls around the ears, hangs in the eyes, or graces the shoulders of any man belongs on a woman. Our suggestion? Get a hair cut!
