M E M O

TO: Prospective Ministers and Wives

FROM: Christian Service Department

DATE: April, 1968

The following is an excerpt from a typical letter a pastor wrote who wants an assistant. Look it over carefully...it could help you plan your future. Many pastors are looking for young ministers capable and trained in these areas. Prepare now to serve well!

"We are in very urgent need of a full time assistant in our church to be Minister of Music, and Christian Education. We hope you can help us.

MUSIC: To direct our 35 voice Choir. They sing well together, various types of music.

To encourage and develop other musical groups: quartets, trios, etc.

It would be a real asset if the Minister or his wife played the piano.

CHRISTIAN EDUCATION: To work in Sunday School, Youth departments with the elected officers in planning and motivation.

There can be other opportunities of service depending on the abilities and desires of the minister."
