SNOISSIM: No, its not a new religion though as ism sometimes means a cult, but it will help to spread the Gospel with an everlasting result.

No, its not a dread disease though something communicable, without a doubt.

Right now, the whole thing's wrapped in mystery, but soon you'll know what it's about.

CONCERT: No, not a quartet concert, but the SEATTLE SYMPHONY on Sunday afternoon, February 5, at 3:00 p.m. at the Lake Washington High School. Student ticket 75¢.

FROM DEAN LACKEY: Chapel will be at 8:20 -- 9:00 on Wednesday. This is during second period. Second and third period classes will meet at 9:10 and 10:05 respectively.

BASKETBALL GAME TONIGHT: Remember the basketball game tonight at 8:00. Northwest vs. Bethany Assembly. Let's all turn out and cheer the Eagles to another victory.

SUMMER WORK AND SERVICE: Last summer we sent five of our young ladies to the Rainier School for retarded children for eleven weeks. They earned money while they served others. We had excellent reports from the School. Because of this they want us to send eight (8) students this year, men and women. Earnings will be \$1.75 to 2.00 per hour and room and board is provided. Interested? See Dean Pecota right away or leave a note in his box in the Administration Building.
