THOUGHT FOR THE DAY

"Sometimes God says wait! We must not try to hurry Him, for He operates on Heavenly Standard Time." --Author unknown

ENROLLMENT RESERVATION

All students planning to return next fall must file an Enrollment Reservation Form. This form is required of both on-campus and off-campus students. This should be done as soon as possible to insure enrollment space for next fall. Space is now being committed to new students who are regularly admitted on a "first-come, first-served" basis. Students now on campus who are reasonably sure of returning next fall should file a reservation form with the Registrar's office before leaving campus this spring.
