THOUGHT FOR THE DAY

Kindness is one thing you can't give away. It always comes back.
--Sidney Skolksy.

C H A N G E !

The Book of the Quarter discussion has been postponed to Thursday, May 14, at 7:30 p.m. in the Learning Center Auditorium. This was changed to avoid conflicting with the Day of Prayer and Fasting. Plan now to attend and contribute.

STUDENTS PLANNING TO TRANSFER

Students planning to transfer to the University of Washington before completing their A.A. degree here should be aware of the new rules in effect there this year. Preferential treatment is given to students having completed at least 75-90 hours at a junior college. (The minimums vary according to the programs.) It may therefore be to your advantage to stay at N. C. longer than you have planned. Check with Mr. Millard concerning your own particular program of study.

CAMPUS STUDENTS

Due to the All-School Picnic the cafeteria will be closed Wednesday, noon and evening. However, students who work and cannot eat at the picnic can sign up for a sack lunch if they do so by Tuesday p.m.

FINALS...

The Spring Quarter is not ended until all your tests are completed. Please do not request to take tests early unless compelled to do so by some emergency.
