OPERATION JOB SEARCH:

Operation Job Search is now underway. It's a program for and with students. Job leads for students are being sought from all possible sources such as personal contacts, phone calls, newspaper ads and fliers by mail. Students, faculty and staff are asked to become involved by referring job leads and keeping all the possible part-time job opportunities in the N.C. Family. In this way, God can use us to be the answer to another's prayer. Working with Miss Guy, Employment Director, on the job search staff is Jerry Gillock who will represent the College by calling on business people much like a salesman to inform them more fully about the part-time job market potential at N.C. Jerry, a senior student, is a member of the Northwesterns, a traveling team which represented the College this summer.
