Bear ye one another's burdens, and so fulfil the law of Christ. For if a man think himself to be something, when he is nothing, he deceiveth himself.

SUPPORTING COURSES WHICH MAY COUNT TOWARDS C. E. MAJOR:

The following courses will hereafter cross-reference with Christian Education in application to the C. E. Major (only). (1) Bible 103 - Methods of Bible Study (2) PrTh 435 - Pastoral Counseling (3) PrTh 234 - Parliamentary Law and (4) Mi 355 The Church Building. In each case there is a professional contribution which these courses can make to the C. E. Minister. These courses may NOT be used for courses making up a Christian Education minor or for the supporting course requirement of C.E. in other majors of the Division. The latter must be in central core subject-matter in Christian Education per se, (i.e. courses which bear a primary C.E. prefix in the numbering system.)
