A NOTE FROM MRS. BLEWITT:

The Holy Spirit has used the knowledge and experience of Bob Larson to bring vast enlightenment to the students. You are encouraged to learn basic knowledge and concepts in music by taking applied music lessons. Music education does not depend upon the factors of "talent", "ear" or "imitating a teacher", though these abilities are possessed in varying amounts by every learner. Music education depends upon innate mental capabilities possessed by every unimpaired human mind.
