# DEDICATION

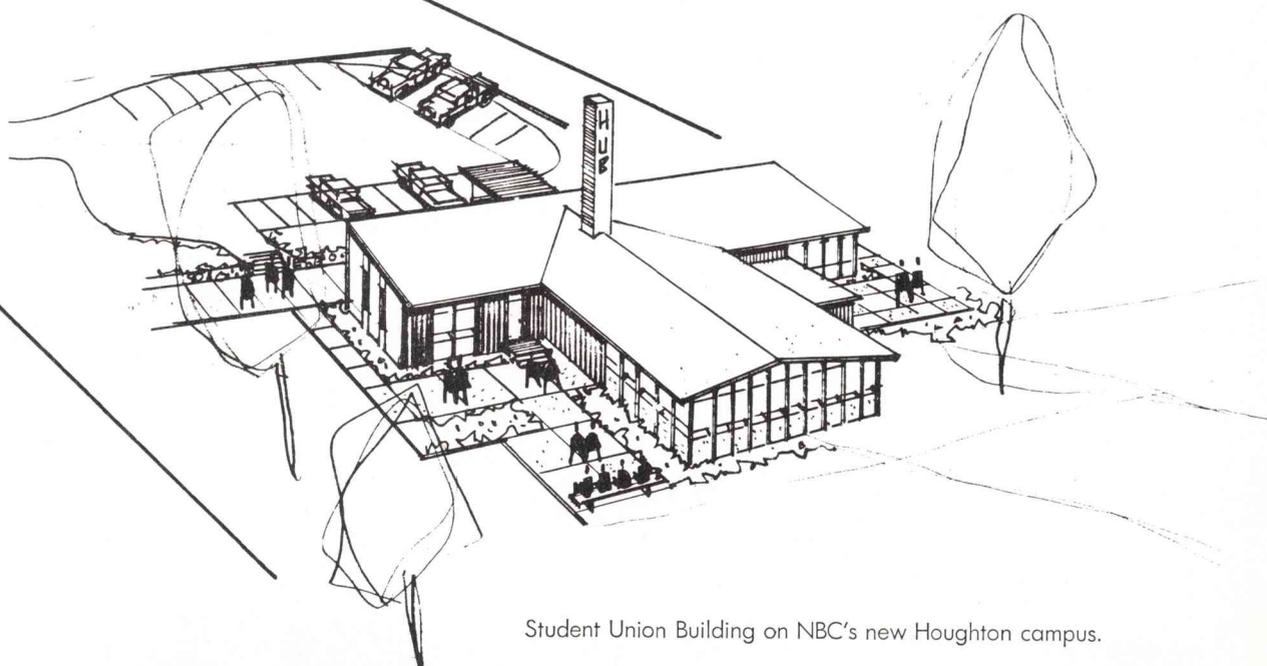

## "HITHERTO HATH THE LORD LED US"

After considering the matter of a fitting dedication for the Karisma of 1958-59, the staff has come to the conviction that it must give thanks to God for the Miracle He has wrought in providing the new site for the Northwest Bible College. It has become evident that it is impossible to find any one individual who has been chiefly responsible for all that has been done. Many have invested tireless effort and willing cooperation and are worthy of any honor the staff of this yearbook could give. The Board of Directors, the President, the Assistant to the President, the faculty, the Campus Commission, the students, with alumni and friends; all have shared in this great work.

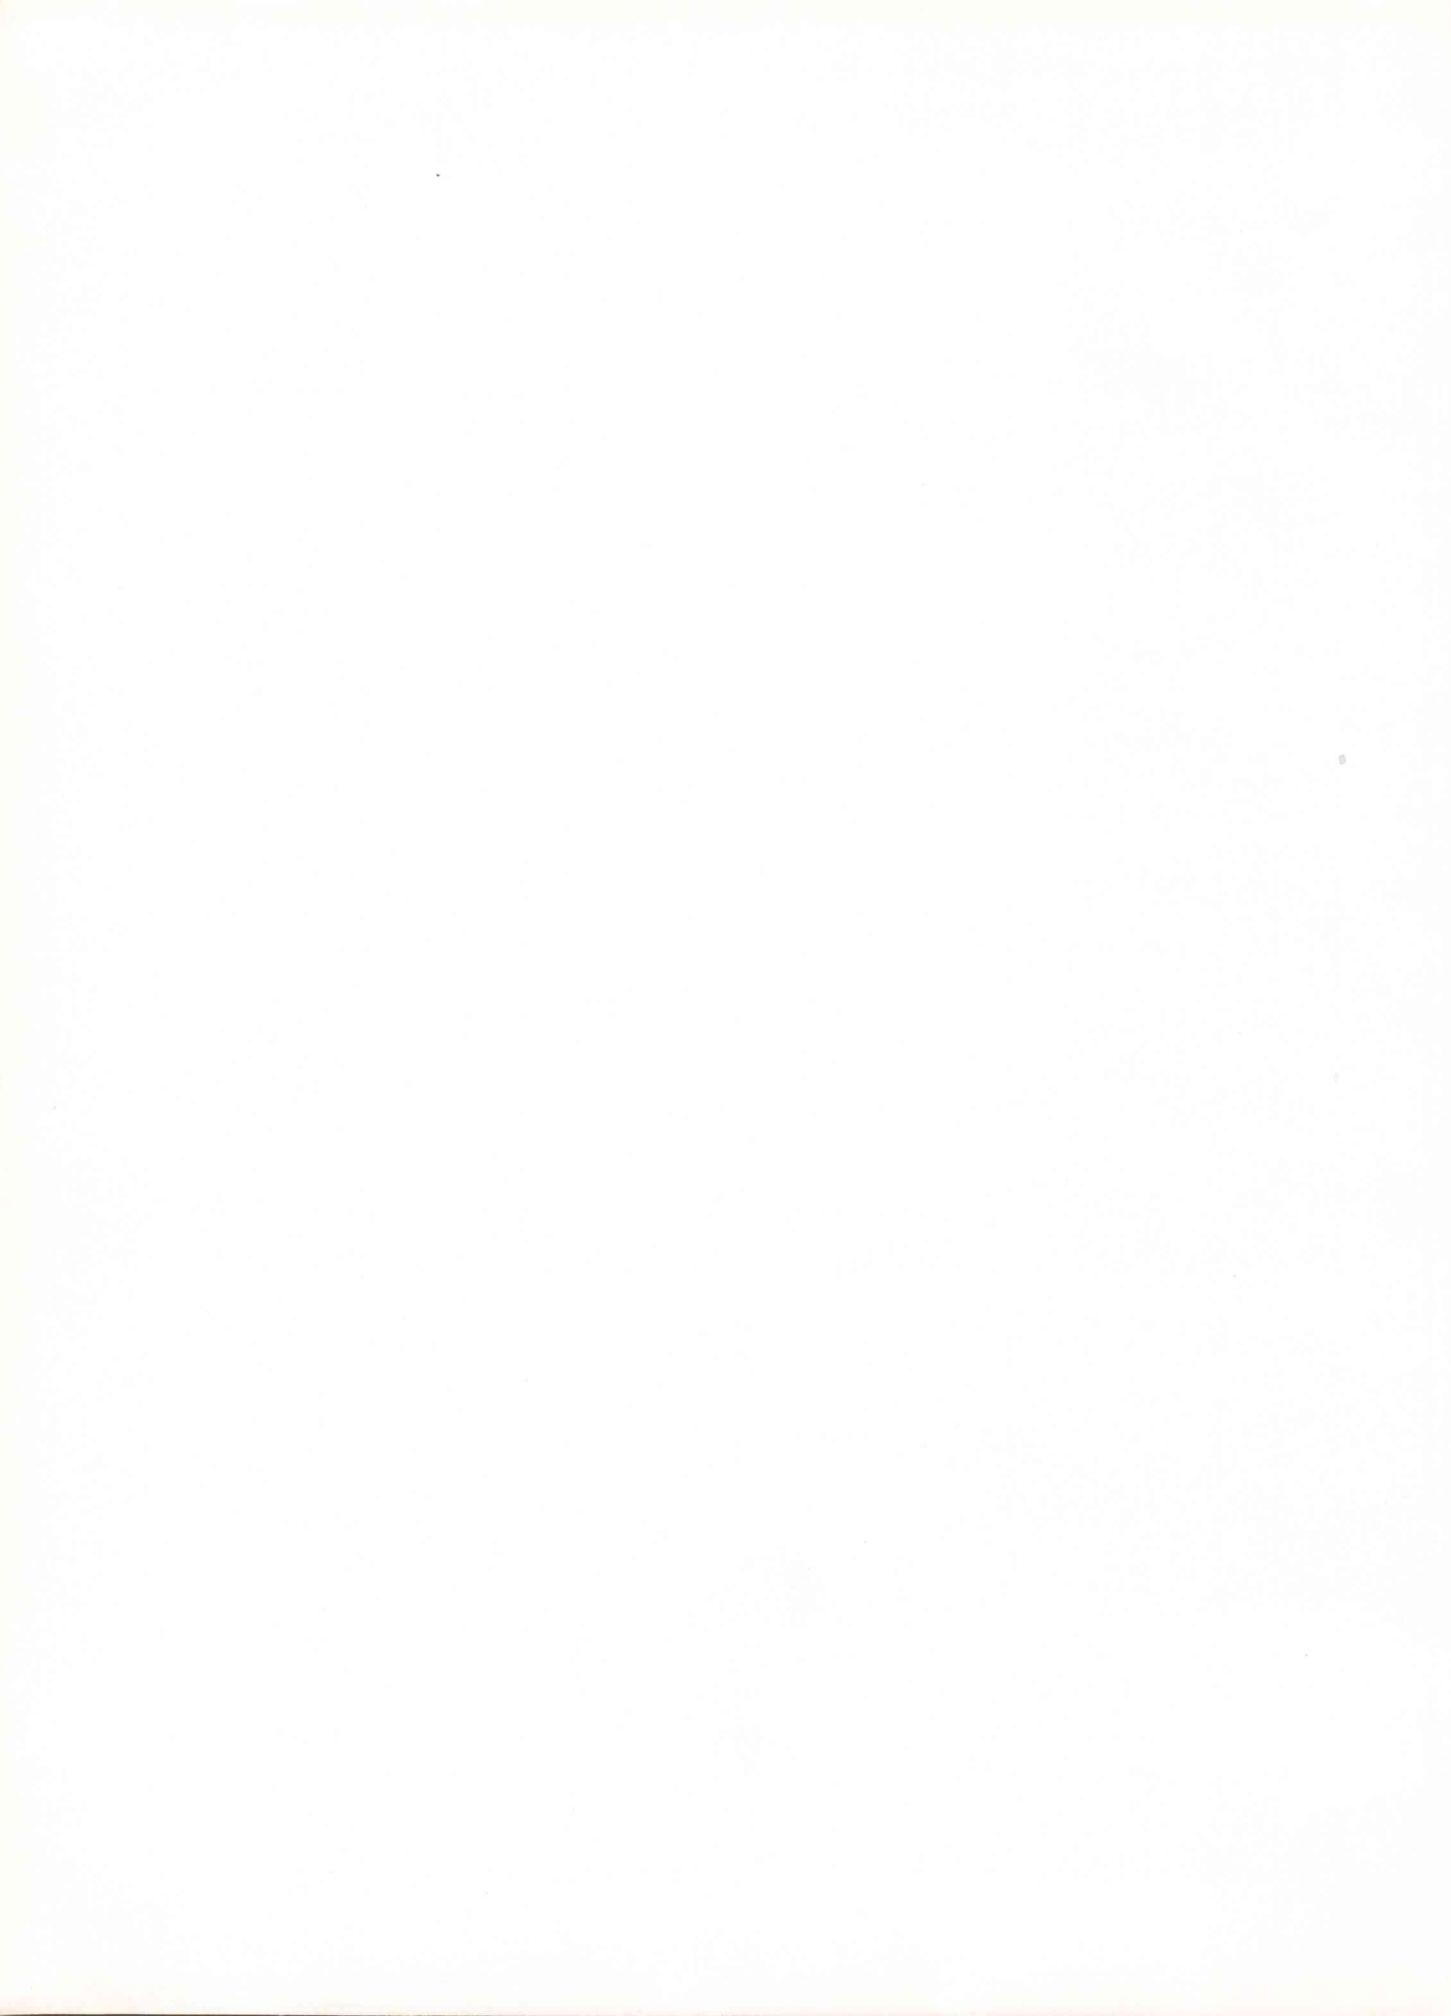

The Convention of the Northwest District Council of the Assemblies of God, as it met in Everett, Washington, in 1945, passed a resolution that a permanent site be sought to house the Northwest Bible College. The President of our College prepared an application and presented it to the Department of Health, Education, and Welfare, hoping that a portion of what was then the Stewart Heights Housing Project might be awarded to

N.B.C. A deadline was set at which time the School was to demonstrate the financial ability to develop the property. An extension of time was later received, with the understanding that this date would be met with the necessary funds asked for by the Government in order to show financial responsibility. The Campus Commission came to the forefront in raising the required funds. After a period of patient and prayerful waiting the word was received that the Northwest Bible College had been awarded twenty-two acres on which to erect the new buildings. The College also secured an adjoining plot of over twelve acres, bringing the total size of the new campus to just under thirty-five acres. Construction is now under way on this site. What has brought this to pass? The endeavors of these men would be fruitless without the prayers and diligent intercession of the interested friends throughout our churches. We are seeing the answer to these prayers unfolding before our eyes. The beginning is behind us and the future lies bright because this Miracle, once hoped for, is becoming a reality.

To Thee, O God; the God of Time and Eternity, the God of Miracles, we offer our heartfelt praise.

## OUR PRESIDENT

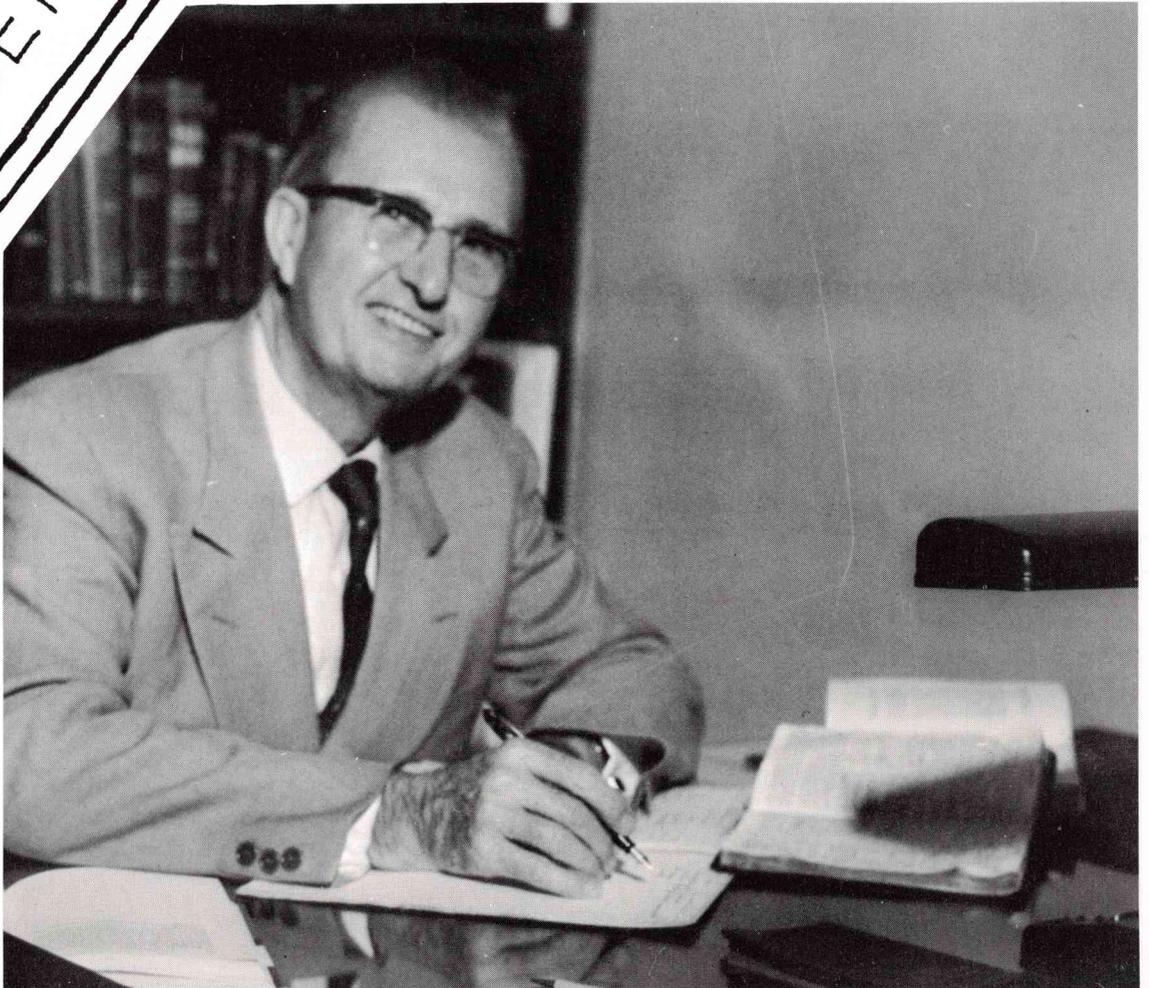

Rev. C. E. Butterfield

. . . building for Eternity  
Two houses were built  
Two lives were lived  
The men of this story are without name  
But the house and the life are the very same  
For the houses they built are the lives that they lived  
We also must build till life is thru, each as one of these two.  
Now one house fell  
One soul was lost  
This man built his house upon the sand  
Which before tempest could not stand.  
His building was dross, his life was complete loss.  
For he kept not the Word, which so often he'd heard.  
The other house stands  
One life is forever  
This man built his house upon the Word  
He faithfully kept the sayings he heard  
Now I must so build my house too, that even as you  
I'll keep God's Word the more, and meet you on Eternity's shore.

NBC's foreign students have come to Seattle from almost every part of the world, and this year represent eleven different countries. These students, with their genuine missionary zeal and personal knowledge of the field, have made a definite contribution to the spirit-

ual life of the college. Some of these students are themselves the products of missionary work, and all are now preparing themselves for greater service among their own people.

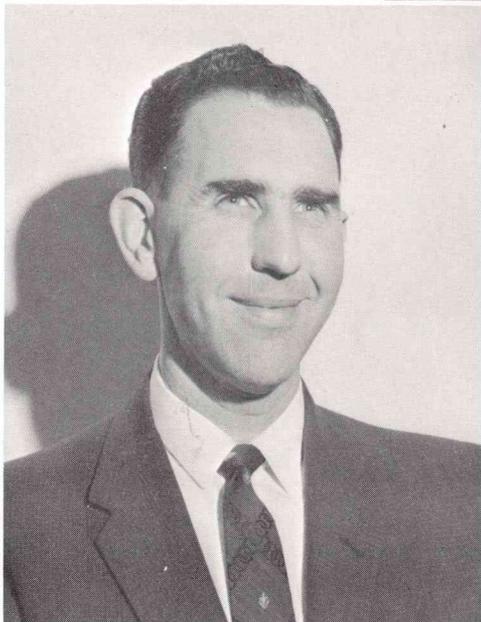

# ALUMNI . . .

## THEY SERVE IN MANY WAYS

**PASTOR . . .** Clifford Hobson, currently pastoring the Stone Church in Yakima, Wash., graduated from NBC in 1943. Most of his ministry has been spent in pastoral work.

**MISSIONARY . . .** Leonard Lamphear, shown here with Mrs. Lamphear, went to the field of Indonesia ten years ago. He graduated with the class of 1946.

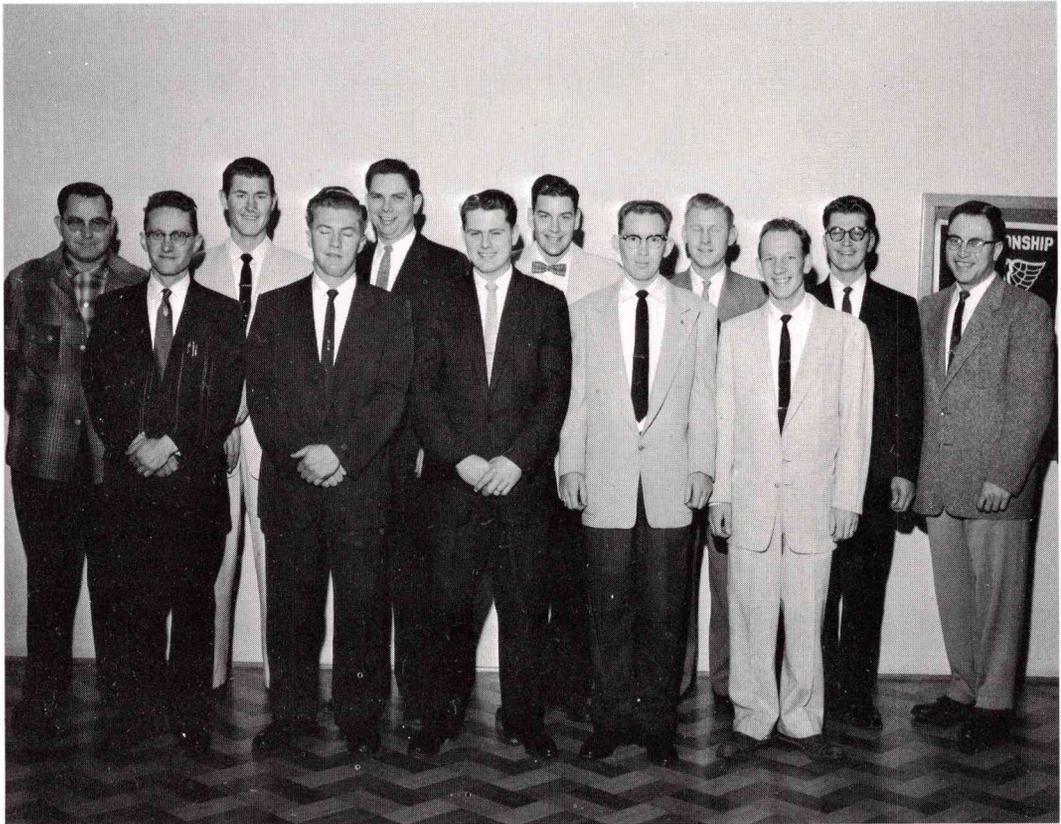

**BUSINESSMAN . . .** Paul Gray, a member of NBC's Class of 1938, is presently with Seattle's Bank and Office Equipment Co., an all-Christian firm. Mr. Gray also serves as a member of our college's Board of Directors.

The persons pictured on this page are but a few of the many NBC alumni who are today faithfully serving the Lord in one manner or another. Many others could also be mentioned who are worthy of recognition. Hundreds have gone out as pastors, evangelists, or missionaries; others are Sunday School teachers or church workers. All, whatever their calling, are worthy of our constant prayers.

# BASKETBALL

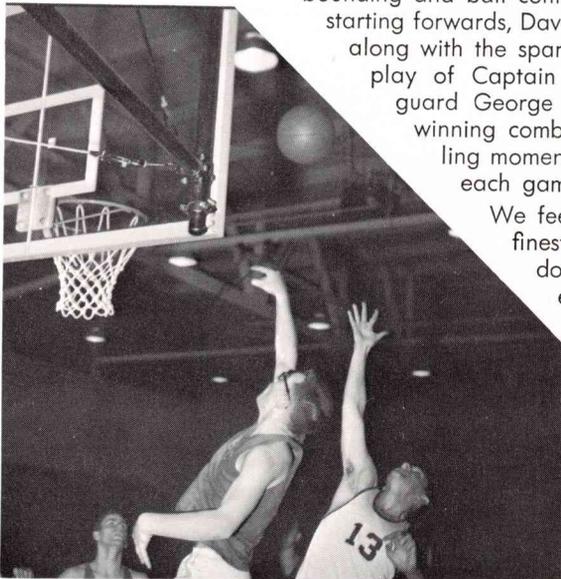

This was a history-making year for N.B.C.'s basketball team. For the first time the blue and gold of our school appeared in organized league play. We entered the highly competitive North King County league and won six titles of the ten-game schedule. This placed us in the top four of the league.

The team was supervised by Robert Dalton and coached by Glenn Olels. The fine shooting of our 6'7" center, Ted Boggs, the rebounding and ball control ability of the two starting forwards, Dave Carlson and Ray Hull, along with the spark and evasive front court play of Captain Rollin Carlson and fellow guard George Kallappa, seemed to be the winning combination. There were many thrilling moments for the fans, and the playing of each game was intense and close.

We feel our team exhibited, at all times, the finest quality of sportsmanship. Without a doubt our sports program has aided the players in developing well-balanced Christian lives.

To our basketball team we say "Congratulations for a job well done, and we are looking forward to even better things from you in the future."

## RECREATION

Because of the heavy strain of school life, a certain amount of recreation is essential for every student if he is to remain in the best health. Many forms are available in the Seattle area: riding or hiking around Green Lake is popular, and so is boating. In the winter, ski areas are open in the nearby Cascades, and students take advantage of this opportunity. Table tennis, of course, is always popular.

The evening of March 13th will long be remembered by those who attended the All-School Banquet for the year 1958-59. Hearts were challenged by the many songs, all based around the missionary theme "So send I you," and by the evening address (from the Honorable Rev. Philip Gaglardi. Those in attendance enjoyed a time of social fellowship and spiritual refreshing.

# LIBRARY

Daniel Pecota, librarian, spends long hours taking care of library details.

Books must be catalogued, and Margaret Garman and Sharon Roloff confer concerning the proper number.

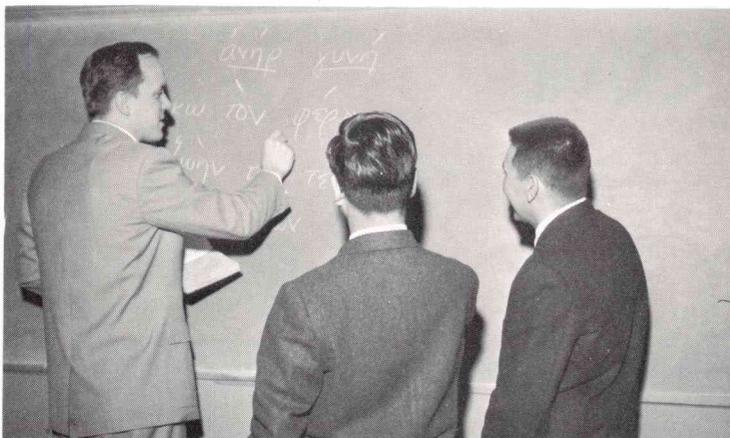

Margaret Garman, student librarian, checks out a book for a student.

Every NBC student "burns the midnight oil" with daily assignments, term papers, and collateral reading. For these, NBC's library provides ample material on many diversified subjects. Besides 13,000 books, the library contains visual aids, periodicals, pamphlets, and language records. The library serves a dual purpose, as it currently provides the study facilities for most students.

## OUR COLLEGE BOOKSTORE

Managing the bookstore this year was Mrs. C. E. Butterfield, our president's wife.

The bookstore's shelves are lined with materials of every sort.

Books are a contributing factor in building the students' lives both academically and spiritually. Whether for Bibles, commentaries, textbooks, sheet music, records, or general supplies, NBC's well-stocked bookstore provides the students' needs.

# STUDENT EMPLOYMENT

Almost all of NBC's students work to help defray their expenses while going through school. Jobs are usually plentiful in Seattle, and the pay scale is high. Types of work also vary widely.

Our Dean of Women, Miss Guy, helps students find work.

# PUBLIC RELATIONS DEPARTMENT

The job of NBC's Public Relations Department is to keep our constituency informed as to the functions and activities of the college. This task, which always involves the carrying out of many diverse duties, is now greater than ever as the move to a new campus approaches. Presently, the Public Relations Director, Rev. H. W. Crowder, serves on the Campus Planning Commission and shares in the work of that group.

This year, as always, there have been many brochures to plan and posters to design, plus innumerable letters, phone calls, and personal visits to be attended to. In their efficient handling of all this work, Rev. Crowder and his secretary, Dolores Landry, have done an excellent job.

# NEW CAMPUS

The Campus Commission assumed the responsibility of the building project.

The student body helped to raise several thousand dollars for their own building.

Bulldozers clear land on the site of the first building.

## CHAPEL

Students enjoyed many blessed times in the chapel services this year. The moving of the Spirit was often felt in a precious way, and all were inspired and edified by the ministries of the various guest speakers.

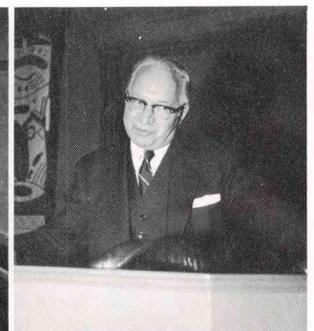

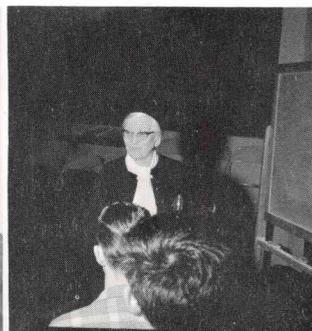

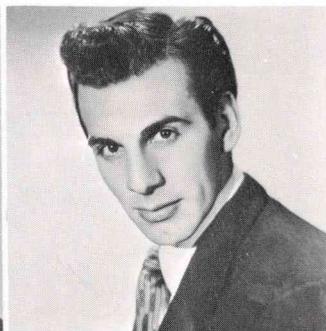

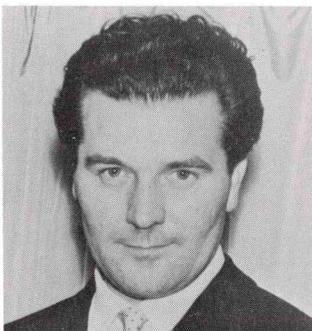

C. C. Burnett, National Education Secretary.

**John French**, converted English playwright.

**Tony Fontaine**, newly saved Hollywood singer.

**Miss Agnes Walen**, Swedish missionary to India.

**Rabbi Levine**, Jewish Chautauqu lecturer.

# MATRICULATION

The official opening of the school year took place at the annual Matriculation Service held in the main auditorium of NBC. This service was well attended by students, faculty and friends of the college. Special music was beautifully presented by guest musicians. R. J. Carlson, Superintendent of the Northwest District of the Assemblies of God, delivered the main address.

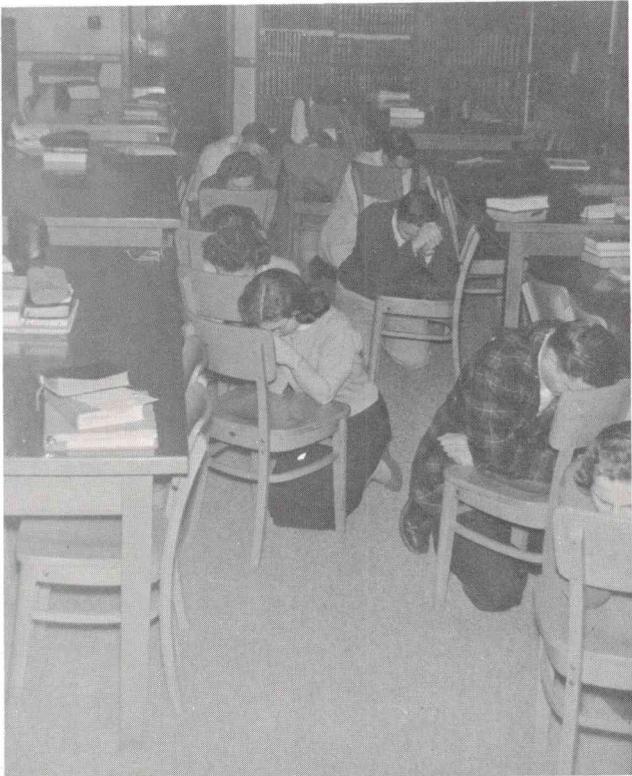

Faculty and guests are challenged by Brother Carlson's message.

The music presented by the trio was greatly inspirational to all.

# SPIRITUAL EMPHASIS WEEKS

## AUTUMN QUARTER

Rev. Tom Johnstone came to us from Toronto, Ontario, Canada. His spiritual approach to the subject of man's relationship to God was a great source of inspiration. Several students were filled with the Holy Spirit during the week.

## WINTER QUARTER

The 17th chapter of John was made alive as Pastor Kenneth Haystead of Portland, Oregon preached the entire week on various phases of discipleship. The chorus, "Touch my life, Lord Jesus," was taught to the student body and became the theme chorus of the week's meetings.

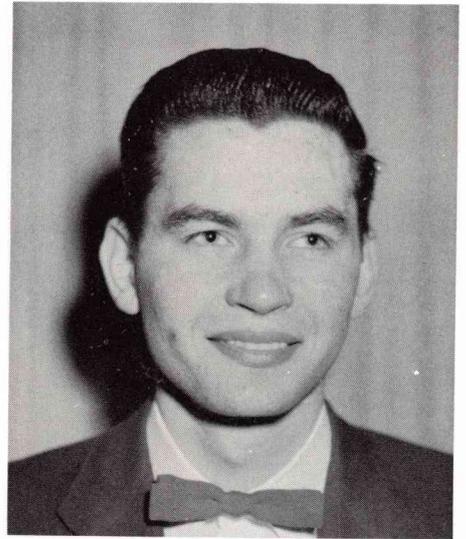

## SPRING QUARTER

Rev. John J. Clement, pastor at Sunnyside, Washington, brought the student body a missionary emphasis in his messages. No stranger to the field, Rev. Clement was a missionary to Japan for a number of years, and while there headed Central Bible Institute in Tokyo. This personal field experience has added great force to his ministry.

Senior Speaker

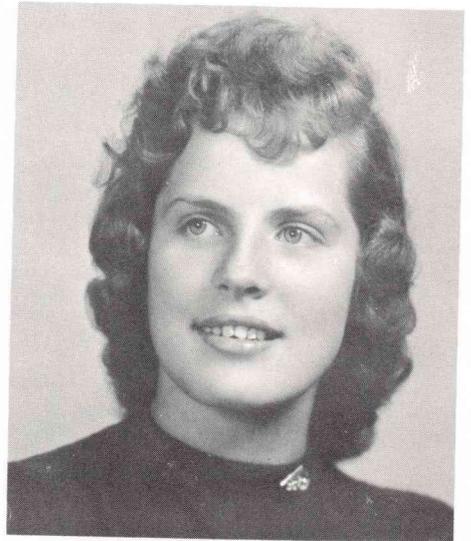

William Aho  
Junior Speaker

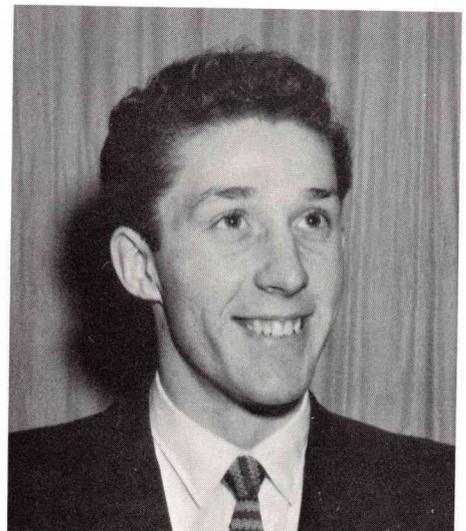

## CLASS NIGHT

One of the spiritual highlights of N.B.C. each year is Class Night. This closing service features four student speakers chosen on suggestion ballots by the classes and finally by the faculty. These four students represent the Senior, Junior, Sophomore, and Freshman classes, respectively.

Class Night has always proved a blessing to those attending.

Frank, preaching the Word . . .

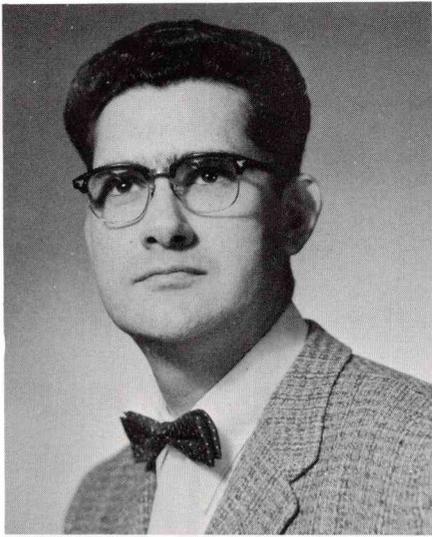

During the 1958-59 school year, NBC gospel teams traveled over 13,000 miles and carried on a wide variety of activities. Included on the program were church services, street meetings, C. A. rallies, mission services, prayer meetings, and visitation work. Students were thus given a great deal of practical experience in Gospel works, while at the same time helping the churches of the district.

Students conduct street service.

The 41-member college choir ably represents N.B.C. in song. The choir has held many concerts in Seattle and has conducted two tours; the first a Speed-the-Light tour through Washington, and the second through Montana. The choir's unwritten motto is not only to sing well, but to live what it sings. This spirit has contributed greatly to the success of both of this year's tours.

N.B.C. was again privileged to have a fine orchestra under the direction of Harold Smith. The orchestra has contributed fine accompaniment for Chapel services.
