TISSUE IS THE ISSUE:

Frequently, cars on campus have been generously draped with toilet tissue. Did you know that recently out of an order for 50 cases of tissue we have received only 10? -- which means, it is hard to get! If we can't get it, students will have to furnish their own.

DR. STEPHEN ARCHER:

Dr. Stephen Archer, Dean of the Graduate School at Willamette University in Salem will be on campus and will be available for consultation in the Conference Room of Bronson Hall on Friday, November 1. Students desiring to talk with Dr. Archer may register for an appointment with him at the Registrar's office in Bronson Hall. Willamette University is one of the older private liberal arts institutions of the Pacific Northwest (Methodist in background)

EMPLOYMENT:

For students seeking employment, there is a bulletin board (updated daily) in Bronson Hall (on a table by Miss Guy's office). Interested students may call any phone number listed for an interview or further information.

BASIC YOUTH CONFLICTS CREDIT:

Students who registered for credit will get a grade of some kind or another, even if the exam was not taken. If you did not take the examination, we suggest that you file a drop on the course as this was one of the requirements for credit.
