INTERESTED IN TEACHING ENGLISH--IN JAPAN?

Remuneration: \$300 a month, housing, and transportation both ways. They will also train you in the "Berlitz-type" approach to teaching and language. Requirements: You must sign a two-year contract. Men are preferred, since you will be working with businessmen, but women will be considered. They want a versatile, imaginative person with an outgoing personality; one able to adjust to new cultures.

Opportunities: Because the classes are mostly for teaching English to businessmen, the classes meet at night. Other than preparation time, this leaves daytime hours and Sundays free to help resident missionaries or to begin learning the Japanese language, should you feel called to that land. If you are interested, please see Miss Williams for further information.

EAGLE BASKETBALL:

The Northwest College Eagles made it 8 out of the last 10 games by winning three on the road over the weekend. Thursday night, the Eagles won over Western Baptist by a score of 69 to 75. In league action, the Eagles defeated Northwest Christian to insure second place in the league with a 94 to 90 win. In Saturday's action the Eagles ran up a score of 96 to 69 defeating the Eugene Bible College. League record is now 7 wins and 2 loses. Multnomah has lost only one game, that to Northwest College. If they are defeated in their last two games at least once, Northwest would then be in a tie for the league championship.
