THOUGHT FOR THE DAY:

"...what's the use of worrying? What good does it do? Will it add a single day to your life? Of course not! And if worry can't even do such little things as that, what's the use of worrying over bigger things?"

Luke 12:25 (Living Bible)

ENERGY SHORTAGE:

A 5% surcharge is being added to the light bills for all non-residential accounts from November to February by the utility company in an effort to discourage excessive use of electricity. Your cooperation is requested. Please turn out lights when they are not needed ... save dollars ... save energy!
