THIS COULD BE YOUR ANSWER!!

"I've found out how to get my school account paid", was the remark of an excited senior. who had come through four years at NC "on her own". "Don't wait until you have large amounts to make big payments, but whenever you get even \$5.00, put it on your account!" She proved it works! It is good stewardship and "faith in action". By doing our part, the stage is set for "God to work with us . . ."
