

STUDENT BULLETIN

January 16, 1973

THOUGHT FOR THE DAY:

And let us not be weary in well doing: for in due season we shall reap, if we faint not.

--Galatians 6:9

SKI BOOTS:

The Salvation Army has on hand approximately 1500 pair of ski boots of all sizes. Most are brand new; some used once or twice. Prices range from \$1.50 to \$10.00 a pair. If interested, contact Chaplain W. Fletcher, MA 4-9375.

STUDENT ACCOUNTS:

All "deferred pay" student accounts are subject to a 6% carrying charge per quarter. However, all amounts paid by January 19th will receive full 6% credit back. Amounts paid by February 2 will receive 3% of the carrying charge credited back. Accounts are due in full by Feb. 12.

FINANCIAL AID:

It is not too early to make application for financial aid for 1973-74 school year. Application forms for NDSL, EOG, CWS (through the college) and Federally Insured Loans (through the bank) are available in the Financial Aids Office.

Note: The only source of Financial Aid available for the remainder of the year is the Student Guaranteed Loan through your local bank. If you are needing additional funds to complete this year, you should apply immediately. See the Financial Aids Officer.

PORTRAITS:

If you ordered and paid for your portraits more than eight weeks ago but have not received them, please contact Mr. Gustafson. Leave your name in his mail box! This is very important!

INTRAMURALS:

Men - Sign up for intramural basketball will be this week. Teams will be made up from the men's dorm floors! If there is enough players to have two teams from each floor, then the even numbered doors will have a team and the odd numbered doors will form a team. Have teams sign up on plain peice of paper and turn it in to Chuck Foster by Friday, January 19th. We will try to have the first games on Thursday, January 25.

Women - Sign up for girls intramural basketball this week and have teams made up from each floor of the girls dorm. The list should be on a plain piece of paper, and turned in to Miss Brodin by Thursday evening this week.

TELEPHONE OPERATOR NEEDED:

If you know of an experienced telephone operator who could fill in for a student desiring to go on the Flying Seminar - March 12-28 - please get in touch with Miss Underwood, secretary to the President, who will relay the information.

CHRISTIAN SERVICE OPPORTUNITIES:

A Church organist is needed at Highline Covenant Church. Anyone interested should contact Mildred Forrell at SH 6-7282.

All persons interested in working in Home Bible Clubs can get involved! If you love children and have a desire to be used of God in a great way, there's a place for you. See Linda Boyer this week.

SPEEDREADING:

Speedreading is an indispensable skill for today's student and you can't beat \$25! Thousands of students have already profited from AGP's short, expertly instructed, inexpensive and fully-guaranteed course in rapid reading and study skills. They recognize the outstanding facts of today's college scene: vastly increased reading requirements and diminished study time. Why not attend the up-coming session and make this skill work for your benefit. If you don't double your speed, we'll refund your \$25 tuition fee. Pre-register at Bronson Hall.

DISTRICT LUNCHEONS:

Students - plan to have lunch with the District Superintendent from your state as per date and location below. It will be like meeting a "Friend from back home".
