THOUGHT FOR THE DAY:

Everything that grows changes.

--Marvin G. Gregory

PEP BAND:

Very important pep band rehearsal tonight at 8:30 in S-2. There are two games this weekend. New members are always welcome.

EVANGELISM MIG:

Our outreach this weekend is confined to Friday night only, so plan on coming. We desperately need cars, so bring a friend's or your own if you can. We will be going to Southcenter. Meet at 6:45 in the SUB Prayer Chapel.

LOST:

A 22 oz. framing hammer with a fiberglass handle was lost in the work on the Harvest-time Social last quarter. If found, please return to Dale Dyck.

HOME BIBLE CLUBS:

Two guys are needed for Home Bible Clubs. One to work with Junior age boys at Redmond Presbyterian Church Bible Club, and the other to work in the Eastside Church Bible Club. If interested, please contact Linda Boyer this week.

STUDENT GROUP HEALTH INSURANCE:

All students under the group policy with the College are insured for benefits in case of illness or accident as outlined in the program. To make a claim, (1) The hospital and doctor should be informed that you are under the College program, (2) A form must be picked up at the College Reception Desk and verified. The student must fill out the form, secure doctor and/or hospital verification, and mail in the envelope provided. Any subsequent statements received should be turned in to the Receptionist or the Business Manager.

BASKETBALL INTRAMURALS:

Intramurals begin on Thursday, January 25th at 7:00 and 8:00 p.m. with four games scheduled as follows:

100 floor (odd)	vs	Off Campus	7:00
100 floor (even)	vs	600 floor (even)	7:00
200 floor (odd)	vs	600 floor (odd)	8:00
200 floor (even)	vs	500 floor (even)	8:00

Each team participating should supply a scorer or a timer for each game they play during the season. Students in basketball classes whether girls or boys may be of service. Due to the 12 team participation, it will be necessary to play on Tuesday, Thursdays and some Saturdays. A master schedule will be out to cover the play for the quarter. Any students interested in officiating for intramurals, please contact Mr. Kinney.
