SUMMER OPPORTUNITIES:

Are you interested in youth camp ministry, VBS, supply pastor ministry, kid's crusade, etc? Then read this!

The President has announced that there will be a SAM (Strategic Action Ministry) program this summer. It will concentrate in strategic ministry opportunities in Hawaii.

Northwest District D-Cap, Al Baunsgard and Northwest College Dean of Students, Mr. Clark are developing the program. It will be much the same as developed under Professor Turner's leadership last year. The dates have not been set as yet, but D-Cap Baunsgard will be working with youth leadership in Hawaii to set these and to identify ministry opportunities as quickly as possible. Begin thinking about it. This constitutes a great opportunity for one month's summer ministry. More information will be coming as soon as it is available.

ATTENTION EVERYONE:

PLEASE KEEP OFF ALL GRASS!! It takes a year to rebuild a lawn and where paths are trampled, it never comes back. Let's all help to keep our campus beautiful.
