THOUGHT FOR THE DAY:

A leader has two important characteristics: first, he is going somewhere; second, he is able to persuade other people to go with him.

PLEASE HELP:

If you have a copy of "A Survey of the New Testament" by Robert Gundry and would be willing to loan it to some student until the bookstore's order can be supplied by the publisher, please place a 3 x 5 card indicating your willingness and how you can be contacted in the used book file in the bookstore. It may be several weeks before the books are available. Your cooperation will make it possible for fellow students to do their homework. Thank you.
