THOUGHT FOR THE DAY:

Do not keep the alabaster boxes of your love and tenderness sealed up until your friends are dead. Fill their lives with sweetness. Speak approving, cheering words while their ears can hear them, and while their hearts can be thrilled and made happier by them.

--George William Childs

TENNIS INTRAMURALS:

Second round single results must be in by Thursday, May 2. There will be no extension. Third round singles will start Friday, May 3 and end Wednesday, May 8. Make sure your results are in by those deadlines.

FOUNTAIN FLOWS AGAIN:

The symbol of the "Outreaching Arms" as depicted in the fountain on the campus is flowing once again, and with it the happy, fresh feeling that comes from a fountain. It has been inactive for several months because the pump needed repair, which has finally been rebuilt at a cost to the college of approximately \$150 besides labor. The pump is rather expensive and difficult to replace. With proper care it should perform without any further problem for many years. The cause of the previous breakdown was damage to the internal parts caused by detergents which had been put in the pool. If this can be avoided in the future, the fountain can flow indefinitely.
