

STUDENT BULLETIN

April 1, 1975

THOUGHT FOR THE DAY:

Ignorance: The only thing more expensive than education.

STUDENT ACCOUNTS:

Accounts paid before April 12 will have the entire carrying charge of 6% reversed. Accounts paid from April 13-27 inclusive will have ½ of the carrying charge reversed (3%). After April 27 there is no reduction in carrying charge.

TO THE CLASS MEMBERS OF HOMILETICS II, SECTION B:

My mother wishes to thank you for the lovely card and for your expressions of sympathy. We have been comforted by the love and prayers of so many friends. The Lord is good and we have found His promises true. He does comfort us and He does give joy and victory. God bless you all. -- Gwen (Hillary) Ketcham

GRADUATION FEE:

A graduation fee is charged to cover the cost of records auditing, degree engraving, cap and gown rentals, and all other expenses incidental to graduation. It is charged whether a senior participates in the public ceremonies or not. Refund policy: Should a student cancel the Application for Graduation for any reason after it has been filed, the College will retain a \$5.00 fee as a recovery charge because of the set-up costs.

BOOKSTORE PURCHASES:

Bookstore purchase of textbooks and supplies is on a CASH basis and can be charged to a student's account only when a student has a credit balance, or their account is covered by a financial aid package (federal or otherwise) which includes the cost of books.

OREGON STUDENTS:

You are invited to have lunch in the Cafeteria with Oregon District D-CAP, Rev. Ormel Chapin on Campus Day. Rev. Chapin will be guest chapel speaker for Campus Day.

PEP BAND:

We would like to have a pep band for Campus Day. We will meet Thursday at 7:00 p.m. If you can't make it then and will be able to play Campus Day, let Tim DeRosso or Todd Wagner know.

RETURN TO HEALTH CENTER:

Students that checked out

1. Ice cap (1)
2. Heating pads (2)

please return them to the Health Center. Other students may need to check them out also.

KARATE CLASSES:

Taekwon-Do (Karate) classes are continuing this quarter. Any interested students please talk to Mark Barclift in B-213 or be in the men's lounge Tuesday or Thursday at 2:30 p.m. We are learning a lot and have a tournament coming up at the end of April.

OPPORTUNITY FOR CHRISTIAN SERVICE:

Two students need a ride to the school from Kingsgate Monday through Friday in time for second period. They also need a ride home anytime after fifth period. If interested, please call 486-8760 after 3:00 p.m. or contact Keiko Sugiya or Yoko Tada, Box 923.

UNIVERSITY OF WASHINGTON (CHI-ALPHA):

We are really excited about this quarter's outreach ministry to the University of Washington, so let's get started. There will be a very important meeting on Thursday, April 3 during dinner in the Northwest Room in the Cafeteria. All members and interested persons are welcome. Be there early (around 5:30-6:15). Any questions, contact Dave Gerig in G-601.

KCNC - 660 ON YOUR RADIO DIAL:

We are on the air again! Start listening this afternoon at 2:00 to "Music To Scoot By" with Dan Hickman. Later this evening Jim Heugel (6-9 p.m.) and Greg Hickman (9-12 p.m.) will be on the air. For the best in gospel music, stay tuned to KCNC.

CLASSROOM ATTIRE:

On a trial basis, women students were permitted to wear pantsuits in the Winter Quarter. Since the policy was not generally abused, pantsuits are acceptable classroom attire for the Spring Quarter as well. This means specifically pantsuits, dressy coordinating jackets or sweaters and slacks -- not jeans, cords, hip-huggers, or other sloppy or immodest combinations. Men students are reminded that neat pants and sport shirts or dress T-shirts are acceptable campus apparel -- frayed, torn, or patched pants or jeans are not appropriate.
