THOUGHT FOR THE DAY:

Sometimes it seems that people hear best what we do not say.

--Eric Hoffer

CAN YOU HELP?

Praise the Lord for \$2,630.00 that was pledged for WOM. We still could use more. You still can make a faith promise pledge by turning it in to the cashier or to any of the WOM officers.

WOM has a big need and maybe you can help us. Our income for this quarter has been \$1,093.52 and to meet our budget of \$4,793.33 each quarter we need you! Remember that only \$1.00 per week is all it will take! There will be an offering tomorrow. Let's worship the Lord by giving to Him. We need \$3,699.81 to meet our budget this quarter!

HELP! THAT HURTS!

The folding partition in the cafeteria is rather fragile and had to be repaired last year at considerable expense. You can save a repetition of this cost by refraining from beating on the partition, pushing against it, knocking others into it, etc., when in the cafeteria line. Please help!

ON-CAMPUS PARKING:

With the number of cars on campus and with an extra building on campus, we need the cooperation of every student to avoid confusion and inconvenience on the part of everyone. Students must have a parking permit on their car. Any cars found parked on campus without a permit may be towed away by Mac's Towing Service at the request of the Administration. Also, a fine will be assessed against cars not parking in the proper color coded area. A Reminder: (1) All students must park on campus in keeping with the "residential character" of the community. (2) Speeding, careless or reckless driving on and off campus is unacceptable. We have had some complaints from the community. Your cooperation is so important in as much as this is also an aspect of our Christian witness!

CHAPEL OVERFLOW:

Song book racks have been put on the two side walls of the overflow room of the chapel. It is requested that the song books be kept there.

INTRAMURAL FLAG FOOTBALL:

A reminder that Intramural Flag Football is cancelled for the weekend.
