MARRIED STUDENT ASSOCIATION:

REVIVAL!

Join us in prayer for the campus. We meet every Tuesday and Thursday during 5th period in L-3.

THANK YOU, DRIVERS. . .

We appreciate the cooperation of student drivers and wish to say so!  
Your consideration of others and the campus as a whole creates goodwill for all.

If you bring a "borrowed" car on campus for temporary use (ie., parents car, etc.), please drop by the Administration Building for a VISITOR PERMIT. Jan Haugland will issue these up to a week for your convenience and that of the enforcement personnel.

A reminder about the color-coded areas: Specific assignments for parking places are for your convenience. Please respect your neighbors place -- leave it for him when he arrives home from work!

Chapel parking is not assigned in the same way since this area is for off-campus students. However, please reserve the area for students driving onto campus (yellow permit only).
