

STUDENT BULLETIN

May 18, 1976

THOUGHT FOR THE DAY:

Narrow-minded people are like narrow-necked bottles: the less they have in them, the more noise they make pouring it out.

STUDENT ACCOUNTS:

Student accounts are now due in full and must be cleared before finals. If an appointment with the Business Manager is necessary, act now, as the time schedule will be full later in the month.

EXAMS FOR GRADUATES:

The policy on examinations for graduates reads as follows: "All candidates for graduation may have to take final exams in all classes for which they are enrolled during the quarter prior to graduation up to the point of graduation." (i.e., neither graduating seniors nor graduating sophomores need remain on campus for test week since it comes after commencement.)

USE OF OFFICE SUPPLIES:

All of those organizations on campus that have used office supplies throughout the quarter and are keeping a record of themselves should turn it in to the receptionist so charges can be made and payment received before the end of the quarter. If additional supplies are used after this time, just have the receptionist make a notation so immediate billing can be done. Please see to this immediately -- May 19 (Wednesday) at the latest.

ALL-SCHOOL TALENT SHOW:

One All-School Talent Show is coming up **next** Tuesday, May 25. There will be two major categories in which 1st, 2nd, and 3rd place prizes will be given: single talent and group talent. The 1st place single talent award is a set of Matthew Henry Commentaries. This and all other prizes will be awarded by the Junior Class. The Talent Show is scheduled for 8:00 Tuesday evening in the Learning Center. Mandatory auditioning will take place Monday night at 7:00. Please sign up either in the SUB or Cafeteria. STUDENT CARS:

Owners of inoperative cars should turn in the title to the Business Manager so it can be disposed of. Any cars left on campus without special arrangements will be towed away.

REGARDING CHECK REQUISITIONS:

A minimum of 24 hours is necessary to process check requisitions . . . Please anticipate your needs so the Business Office can serve you effectively.
