

STUDENT BULLETIN  
April 12, 1977

If life deals you lemons, MAKE LEMONADE!!!!

PASTOR'S WORKSHOP - You are invited to attend Today, FREE! Our guests are Jerry and Barbara Cook, from Gresham, Ore. In 10 years of ministry, their church has grown from 26 to 2,000. The times and topics are:

- 2:00 - "WHERE IS THE CHURCH?" Do we really want to get people into the ministry? What are the guarantees that bring wholness?
- 4:00 - "CAN A WOMAN HAVE A MINISTRY?" Special for women, with Barbara Cook. How can she find it? Direct it? Develop it? How does it fit into her life style? L-101
- 4:00 - "WHERE IS THE PASTOR?" What about his calling? How does he stay alive? What does he do? (L-1)
- 7:00 - "WHERE IS THE MINISTRY?" What is the work of the ministry? How about its direction? What is its effect?

COME AND PRAY with us - Latin America prayer group. Tuesdays, 7 p.m., Apt. 1 - Firs.

SKIP - featuring the "infant days" of N.C. with 25 students participating. If you are interested in seeing this, it will be in the Learning Center Auditorium, Saturday, April 16th, 11:10 a.m.

PRAYER MIG - will meet Wednesday night in the SUB chapel at 8:00, for a time of prayer. This is sponsored by the Campus Mig and everyone is welcome.

COMMUNITY SERVICE MIG - the Resthome Visitation Program is in need of people who are willing to be friends with someone craving your affection. Will you be a friend? For more information, contact Randy Rowe G-406. DON'T WAIT!!!!

CAUTION MOTORBIKERS: The Campus Vehicle Code alerts all drivers, including owners and operators of motorbikes, that safe driving practices MUST be followed. Be reminded that:

1. Bikes must be registered and parked in their assigned place.
2. The campus speed limit is 20 m.p.h.
3. Washington state law requires helmets for operators and passengers.
4. Bikes will be ridden only on the campus streets (not sidewalks, grass, etc.)
5. Citations are issued when the Vehicle Code is not followed.

Thank you for your cooperation in maintaining a safe campus. Let us be reminded that ours is mainly a "pedestrian campus" and vehicle use should be minimized on campus.
