

BULLETIN

FEBRUARY 16, 1978

SPEED READING - AGP Speed Reading is not usually offered Spring Qtr., but some have been asking for it. If enough students were interested, it could be offered. It would be 7-9 p.m., March 30, April 13, & April 20. You can express interest in the class by giving a signed note of interest (not binding) to Mrs. Randolph in the bookstore, or in Mr. Randolph's box in the Adm. Bldg.

We should not visit our friends in order to spill out the sordid, petty problems. Rather, to taste together the pleasures of reminiscence of the past, plans for the future, a shared meal, shared work, shared laughter. Since Biblical days there has been no better therapy than this - for a "faithful friend is the medicine of life."
