FEBRUARY 23, 1978

TELEPHONES - The College telephone system should be used for business calls only, these calls should be kept at a minimum.

"How far can you see, Daddy?" a small boy asked his father.

"Oh, I don't know-20 miles, maybe 40 on a clear day. How far can you see?"

"I can see a lot farther than that," said the boy. "I can see clear to the stars."
