Success is in the way you walk the paths of life each day; it's in the little things you do, and in the things you say. Success is not in getting rich, or rising high to fame. It's not alone in winning goals, which all men hope to claim » »

Success is being big of heart, and clean and broad in mind; it's being faithful to your friends, and to the stranger, kind. It's in the children whom you love, and all they learn from you; success depends on character, and everything you do.
