FINANCIAL AID RECIPIENTS: Students receiving any type of federal and/or state aid will receive notification through the mail when their checks are ready for endorsement. Any student who is still holding any copy of their Student Eligibility Report from Basic Grant must submit it to the Financial Aids Office before payment can be made for fall quarter. This would include any student holding a student copy of the SER. The Financial Aids Office is open to help any student needing help applying for and/or understanding federal aid. To answer questions regarding the payment of a student account, the student should contact the Business Manager. Thank you.
