

BULLETIN

OCTOBER 5, 1978

YOU TELL ON YOURSELF

*You tell on yourself by the friends you seek
By the manner in which you speak;
By the way you employ your leisure time,
By the use you make of dollar and dime.*

*You tell what you are by the things you wear,
By the spirit in which your burdens bear;
By the kind of things at which you laugh,
By the records you play on the phonograph.*

*You tell what you are by the way you walk,
By the things of which you delight to talk;
By the manner in which you bear defeat;
By so simple a thing as how you eat.*

*By the books you choose from the well-filled
shelf;*

*In these ways and more, you tell on yourself
So there's really no particle of sense,
In an effort to keep up a false pretense.*

*What are you telling others about yourself
and your Savior?*
