

QUESTIONS EVERY STUDENT OUGHT TO ASK:

Not only: "Am I passing my tests?" but "Am I systematically preparing to pass my future?"

Not only: "Am I learning to prefer the best instead of the worst?" but "Am I learning to prefer the best instead of the second best?"

Not only: "Am I going to college as an interlude in life?" but "Am I going to college as a genuine enterprise in life and learning?"

-- L.T. Holdcroft

LAST CHANCE FOR A BASIC GRANT IN 1978-79.

Those students who are still interested in applying for a Basic Grant for this current academic year must do so before Mar. 15, 1979. Applications will be processed if they are postmarked on or before Mar. 15, 1979. See Jan in the Admin. Bldg. for applications.

NEXT QUARTER CLASSES:

* Dr. Rice's English Literature II class, please note that it will begin meeting on Monday, March 26. (He will be on the Flying Seminar at the beginning of the quarter.)

* Dr. Swaffield and Mr. White's classes will not begin until Tuesday, March 27.

NOTICE: Would the students who still have college music materials please return them to Dr. Swaffield as soon as possible.

Thank you.
