Youth Film:

"STEP OVER THE EDGE", will be shown in Wilderness and Retreat Camp class - 2nd period in L-101 (there is room for the first 12 extra people who want to come). The film is based on the diaries of young people who have participated in the widely-heralded Vanguard Program, where each participant spent 3 weeks hiking through the wilderness and then a three-day "solo" equipped only with a Bible, a canteen of water and a small tarp, each one spending 3 days in complete isolation along the shores of Lake Superior. STEP OVER THE EDGE is a film in natural beauty, sparkling with high adventure, but its widest horizons reach deep into human personality.
