Congratulations to 400 floor for winning the Intramural Flag Football Championship last Saturday. 400 floor left no doubts in the minds of their onlookers that they are the best team on and off campus. With an astounding 26-0 performance they wrapped up the title and went to the top in every statistical category, including yards penalized. Gary Hart was his usual self with approximately 100 yards rushing including a 23 yard touchdown run. Defense has proven to be the key factor in 400's successful season. Greg Holt intercepted one pass for a touchdown and Gary Senff captured his third interception of the year. Jon "Pick-'em Off" Pickett also intercepted a pass. Cliff Farley led his powerful offense up and down the field hitting Dave Albanese, who made his football debut, on a long bomb late in the game to make it 26 on the scoreboard and give 400 floor the top spot in "points for". In other action Mark Robinson passed for two touchdowns to give 500 floor a 13-6 victory and sole possession of third place. Also off-campus had to forfeit to 600 floor, who finished the year in a close second place. Again, congratulations to the Champs but most of all congratulations to all the teams for their competitiveness, cooperation and fun-loving attitude, that helps make intramurals successful.
