SPIRITUAL EMPHASIS WEEK - Spring Quarter
The student body at Northwest College enjoys three Spiritual Emphasis Weeks each academic year. Guest speakers are invited from throughout the world for this significant time of spiritual renewal. It is with deepest gratitude that the administration, faculty, and the students accept the participation of the Thomas F. Staley Foundation in sponsoring this event. The Staley Distinguished Scholar series is a project of the Thomas F. Staley Foundation of New York. The Thomas F. Staley Foundation is firmly persuaded that the message of Christian Gospel when proclaimed in its historic fullness is always contemporary, relevant, and meaningful to any generation. To this end the Foundation seeks to bring to the college and university campuses of America distinguished scholars who truly believe and who can clearly communicate to students. Therefore, the Foundation is pleased to assist Northwest College in the sponsorship of its spring Spiritual Emphasis Week, featuring Dr. Ward M. Tanneburg.

1981 Annual Spring Banquet will be held Friday evening, April 24 at 7 p.m. at the University of Washington HUB. Plan to attend - date or no date - no tax is necessary for the guys. Entertainment will be provided by our guest Scott Wesley Brown. Engagement announcements must be completed ahead of time for announcement at the banquet.

All students are invited to attend the Reception/Open House and Dedication of the new Administration Complex on Friday, April 10 with tours from 5:00-6:15 p.m. Dedication following from 6:15-6:45 p.m. You will not want to miss it!

Would you like to do something that will enrich your spiritual life? I wholeheartedly recommend the five Bible Studies and memory verses found in the booklet:

Lessons on Assurance. There is a companion scripture verse packet "Beginning With Christ!" It says its for new Christians, but having just completed it for about the fifth time, I can assure you that some of us older Christians can profit greatly spiritually from it as well. As you do the Bible Studies, don't hurry - take the time to meditate on them and allow the Holy Spirit to work through them. --Professor Ming.
