Humpty-Dumpty Sat on a
wall...

Traditional version:

Humpty Dumpty sat on the
wall, Humpty Dumpty had
a great fall - All the
King's horses and all
the King's men couldn't
put Humpty together again.

Christian version:

Humpty Dumpty sat on the
wall, Humpty Dumpty had
a great fall - But Humpty
Dumpty said, "Amen! God can
put me together again!"

NOW, ALSO AS A NIGHT CLASS!

SUMMER INSTITUTE ON CREATIONISM TO BE HELD AT NORTHWEST COLLEGE JUNE 8-12.

The Science division at Northwest College is happy to
announce the Summer Institute on Scientific Creationism
the week of June 8-12. The Institute of Creation Research
will be sending three of their top men to lecture from their
fields of expertise. Included are the director of the Institute
of Creation Research, Henry M. Morris, Ph.D.; Richard B.
Bliss, Ed.D.; and Harold S. Slusher, D.Sc.

These men will be covering the areas of creation/evolu-
tion models, thermodynamics, geological record, origin
and age of the universe and life, dating of artifacts, and
how to present these ideas effectively in the classroom.

Summer session director Dr. Amos D. Millard indicated
that the Institute will be a special part of the Northwest
College summer session this June. Northwest College's sup-
port of scientific creationism is directly tied to its' commit-
ment to the Bible. The inroads of popular assumptions
about the origins of the earth and of man are seen as con-
cerns of the day especially as they affect the role of the
pastor, youth minister, and others who must deal with
these questions in relation to Biblical truth. The impact of
the work of the Institute on the education and political cir-
cles in the U.S. has earned national attention as evidenced
by the recent program on 20/20.

▶ The Institute will be offered in two formats. These will
be daily lectures from 8:30 to 4:30, Monday through Fri-
day. Video-tapes of all these lectures will be presented in
the evening from 6:30 to 10:30, Monday through Friday;
9:00 to 5:00 on Saturday. This will allow people with day
time conflicts to attend the evening sessions. One of the
lecturers will be in attendance in the evening to answer
audience questions.

The fee for the Institute will be \$95.00 for auditors
\$135.00 if one is taking the Institute for three college
credits. EVEN IF YOU HAVE TAKEN THEORIES OF
EVOLUTION ALREADY! More information may
be obtained from the Registrar's Office.

1981 ANNUAL SPRING BANQUET will be held
Friday evening, April 24 at 7 p.m. at the
University of Washington HUB. Plan to
attend - tickets will go on sale Monday,
