Arrangements have been made with a local bank for students to take out a short-term loan to cover any unpaid balance from the spring quarter. This can also include funds needed for summer school.

Students must have their accounts paid in full to be clear for graduation. This must be done by May 22.

#### CLASSROOM AND EQUIPMENT USE:

Student groups using classrooms and classroom equipment are asked to remember their obligation to return the room to its original condition and any borrowed equipment to its original location before the next class time. A teacher should not be expected to have to rearrange a room the next day because students have used it for some extra-curricular purpose the evening before. They will thank you for remembering!
