## Equipping Laity for Evangelism

featuring

**Rev. Mark Hinman**

Mark is the founder and president of Discipleship Dynamics and a true specialist in the ministry of training laity to witness.

He directs the highly successful evangelism training ministry at Church of the Highlands in San Bruno, California. As a direct result of the evangelism training this church has experienced a phenomenal nine hundred percent growth in the last nine years. Also three new congregations have been sponsored. All three have experienced a similar growth rate as the mother church, due mainly to the focus on evangelism training.

Mark also travels extensively and conducts major witnessing clinics throughout the West Coast. He is the author of the *Discipleship Dynamics* textbook used in the personal evangelism courses at NC, as well as many other publications. Mark's enthusiasm and ability to train others in witnessing is fantastic.

WILL NELKEN joined the Discipleship Dynamics in 1977. As Vice-President he serves as Editor of Publications and Clinic Co-Director.
