

A SHINING LIGHT FOR
50 YEARS... 1934-84

CAMPUS

BULLETIN

December 1, 1983

"And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, "Do not be afraid. I bring you good news of great joy that will be for all the people. Today in the town of David a Savior has been born to you; he is Christ the Lord."

Luke 2:8-11

THE HOLE-IER THAN THOU CONTEST

Objective - to plan a hole "fore" the miniature golf course to be placed just north of the tennis courts. (Nine holes will be chosen for this first phase.)

Who may enter:
 Anyone who is part of NC:
 Students, faculty, staff
 Can be an individual or group entry

Prizes:
 One name (person or group) written in the concrete of YOUR hole!
 Food
 Books
 Surprise!

Rules:
 All drawings done to scale
 general dimensions:
 lane width 36"
 lane length 12-24 feet
 describe slopes and waves both side to side and lengthwise
 describe hazards

The primary considerations will revolve around creative simplicity. We want the course to be neat and attractive when finished. We also want a balance between being too easy or too hard. There will be no power for lights or hazards. You may want to look over the area north of the tennis courts and design your hole for a particular spot. The course will be built by us, the NC family, so no fantasmagorical architectural wonders please!

COMING... a representative from the Christian Ministry to the National Parks to provide information about summer work and ministry in the National Park system in the U.S. Pray about this opportunity and mark in your calendar --- February 2nd when a representative will be present to answer questions and to help with applications for appointments. Literature is in the Registrar's Office now.

DID ANY N.C. STUDENT...
