BULLETIN

May 24, 1982

"In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through Him all things were made; without Him nothing was made that has been made. In Him was life, and that life was the light of men." John 1:1-4 NIV

A BIG THANKS IS EXPRESSED TO THOSE WHO DONATED

BLOOD May 19 and 20. Northwest College supplied 79 donars to the Blood Mobile. Those working in the Blood Mobile were very impressed with all of our students and reported that N.C. has shown one of best records for blood giving among schools and colleges which supply twenty-five percent of all blood donations.

would you like to receive summer issues of the Northwesterner? If so, give your name and address to the receptionist in the Admin. Bldg., along with the issues you wish to receive. The June/July issue will contain features on graduation and the August/September issue will prepare you for fall quarter.

Do you have an unpaid balance on your account? If so, unless it will be paid in full on or before May 28, you must do one of the following: 1) If the balance is less than \$100 and will be paid in full by June 30, you must sign a promissory note. Please see the cahier or the secretary to the Business Manager. 2) If the balance is over \$100, arrangements have been made for a short-term loan from a local bank. PROCEDURE: Pick up an Information Bulletin and Credit Application from the cashier, fill out one of the applications and bring it in person to the secretary of the Business Manager. Your request will be processed and additional instructions given at that time. This should be done between May 17 and 28. Act early. Only students who have cleared their accounts will be permitted to take finals. NOTE: This loan privilege will not be extended to students graduating with their BA or to AA graduates who will not be returning to NC in the fall.

SUMMER SCHOOL IS on a cash in advance basis.

There will be no provision for deferred payment. Books for summer school are also on a cash basis.

Interim Housing--Students planning to remain in the residence halls past the closing date (June 4), must obtain and complete an Interim Housing Form from the receptionist in the Administration Building, or from your resident dean. The cost is \$3.00 per night for double occupancy, and \$3.75 per night for single occupancy. Students must pay for each night in advance. Leaving possessions in a room constitutes "occupying the room", and carries the same charge as stated above. If students are discovered staying in the residences without the above authorization, a fine of \$10 per night will be imposed. Interim Housing runs from June 4 through September 18. Any student choosing to abide in the residence halls during the interim are reminded that they must follow the guidelines/policies of the College or be subject to removal. These guidelines are listed on the Interim Housing Form.

May 26 is the final due date for all library materials. Please be sure to return your books and to clear all fines by then. Thanks.

Spiritual Emphasis Week tapes previously ordered must be picked up by Wednesday, May 26 or contact the Library and confirm desire to purchase. Failure to contact Library will result in redistribution of your tapes. **Orders placed within the past week will not be filled until Friday, May 24.

Veterans--Are you planning to return to school next fall and desire advance pay on your G.I. bill? Please come to the Registrars Office and sign a form to have your check here in September.
