### **BULLETIN**

October 28, 1982

*"Carry each other's burdens, and in this way you will fulfill the law of Christ. If anyone thinks he is something when he is nothing, he deceives himself. Each one should test his own actions. Then he can take pride in himself, without comparing himself to somebody else. For each one should carry his own load."*

Gal. 6:2-5

#### **ATTENTION**

**Fatherless Boys Leaders:** Hey guys, sorry it's taking so long to get started, but we're working as fast as we can. We're going to have a meeting in the men's lounge Thursday, the 28th at 8:30 p.m. to explain what is happening with the Fatherless Boys MIG and the Bellevue YMCA. The meeting will be short, but it's important that everyone be there. Be sure to keep praying for the program.

#### **NDSL RECIPIENTS**

If you are receiving a National Direct Student Loan this quarter, please note that your NDSL Promissory Note is at the Cashier's window. You should sign it as soon as possible! This is a student loan made by the College - not a bank or credit union. If you have a loan from a bank or credit union, it is a Guaranteed Student Loan and the checks come to the College directly from the lender.

#### **1983-84 FINANCIAL AID**

Because of delays in finalizing regulation changes for financial aid in the 1983-84 academic year, it appears that the Financial Aid Forms (FAF) will not be available to student applicants until at least the middle of January. The financial aid office will keep you updated as new information is available. Remember that you will once again have to provide validation documents for information contained in the FAF, such as copies of your and your parents' (if you are dependent) 1982 IRS 1040 Forms. Please remember to keep a copy of your 1982 income tax form and to remind your parents as well. Thanks!
