NDSL EXIT INTERVIEWS:

Since registration was last week, you should know by now whether or not you are returning to the College in January to attend classes. The Financial Aid Office also needs to know if all students receiving a National Direct Student Loan are returning. The NDSL students will receive a memo in their student mailboxes that they should fill out and return to the Financial Aid Office as soon as possible. If you are not returning, an appointment will have to be made with the Financial Aid Officer (as per memo) to have an exit interview in which the terms of repaying your NDSL will be explained. Thank you for your cooperation.

" HAVE A GREAT THANKSGIVING EVERYONE !!! "

Give  
thanks
