COMING...

a 60-minute documentary on the modern state of Israel as a fulfillment of biblical prophecy on Monday, April 11th at 7:00 p.m. in the chapel. You don't want to miss it! It is sponsored by the Married Student Association and is open to all students as well as friends from off campus. The film combines the features of a travelogue, a documentary, and a Bible study on the regathered state of Israel. It is probable that no film yet produced on the subject interfaces more actively with the Scriptures on this subject than does this one! Interestingly, it was produced within the last year by a joint committee of Christians and Jews! Don't miss it!
