## NOTE FROM DAVE BRINKS ...

Superintendent of Parks in the City of Kirkland. He stated at a committee meeting last Tuesday that he was extremely proud to be able to go by Northwest College campus and see the cleanliness of the grounds. He has noticed that there aren't scraps of paper, debris of any kind, being thrown about. In fact, the matter is, he said, it is the cleanest place in the City of Kirkland. The students should be commended for the manner in which they dispose of any waste paper, garbage, car part or anything else. They have made Northwest College a showpiece and we are proud and pleased over this and for the attitude of the students.
