If you are going to be performing a special in chapel and you want to practice with the sound equipment, please contact John Brewer at 747-0164 or Kyle Rasmussen at 881-7432. Please do this at least 3 days in advance (72 hrs.) before you are going to sing. We have to find a spot in our schedule that we can be there to practice with you. Also if you use the chapel please return all sound equipment back to it's original place, ie. pulpit mike, monitors, etc. This will be greatly appreciated!

Also, if you have personal property in the chapel storerooms or anywhere in the chapel please remove them unless they are used for chapel services. All instruments and amps. can be stored in the back room of A-22. Please do this by the end of the week. Thank you.
