YOU have a desire to learn photography. Shoot a picture that doesn't cut off your friend's head. Produce prints in a darkroom.

YOU have a feeling that someday when you're in that ministerial position, you may be called on to lay out the church bulletin. To design eye-catching posters.

NOW is your opportunity to learn how and gain hands-on experience in these areas. Sign up for Publication Workshop, English 293. Receive one hour credit and a background in either photography or layout while having a part in producing next year's Karisma!
