H-105. All returning Elementary Education majors or students interested
in Elementary Education are invited. Dr. Ming will explain the many
improvements made in the Elementary Education major and assist you in
planning for 1986-87. We will go over the time table and sequence for:

- | | |
|-------------------------|-------------------------------------|
| -Pre-phase I | -Phase II |
| -Phase I | -Progress in the Major |
| -Admission to the major | -Student Teaching and Certification |

Also you will be brought up to date on the Elementary Education faculty
for next year. There will be plenty of time for questions and answers.

CONGRATULATIONS GRADUATES - AA & BA Degrees: Remember that the policy
requires that all accounts due to the college must be paid in full to be
permitted to graduate. Accounts must be paid by May 23rd to guarantee
sequential position in the graduating line.

If you would like to have your engagement announced at the Spring Banquet,
please come to the Dean of Students Office. All announcements will be
kept confidential. (No announcements will be announced unless signed up).

All requests for early exams must be made with the instructor. The
assumption is that they will not be granted and if circumstances otherwise
justify it, an incomplete will be awarded in which the student will have 2
weeks to complete the final. If the instructor so chooses, he may provide
an early exam but this is only if it is convenient and seems appropriate
for the course.

A BIG THANK YOU for your tremendous help and support to make the 86 Campus
Days a BIG success. I appreciate your cooperation on every level. Skip
