What about it, that's easy...just describe creatively the way you have matured and developed in character over the past one year; how through your experience with people, God, and life in general you have learned to better reflect the character of Christ in your life. If your essay is one of the two best, we will print it. Length: 250 - 300 words typed. Deadline: November 21, 1986. Submit to: Reception desk.
