**GRADUATES PLEASE NOTE:** If you are planning to graduate this year, it is imperative that you come into the Registrar's Office this week to schedule your audit appointment. This is necessary even if you have already been in to discuss your audit. We need to review your plans for Spring Semester in order to be sure you have what you need to graduate. If you have applied for graduation but have determined that it will not be possible for you to graduate this year, you must come in and cancel your application. If you do not do this, you will be billed for graduation.

**REMINDER...**

No Semester is officially ended until all tests are completed. Students should not plan to leave campus before the end of the testing schedule and should not ask to take exams early! Students who leave early will receive an "F" on the final. Make your plans for work, travel or weddings with this in mind.

The Student Bulletin will be coming out on Wednesdays. Please be aware that the time for turning in your announcements is still the same...Mondays before noon. The bulletins will cover from Wednesday to Wednesday. Any Tuesday announcements must be turned in on the Monday of the previous week. In consideration of the increased activity in the workroom and the Dean of Students Office, this procedure should result in better consistency in printing and distribution. Thank you.

**EVERYONE...**
